## The Atlantis Rain

“Introduction”

This children’s book collection was inspired, by the real life character “Rain Fields”.

One of America’s favorite storybook characters of today.

This novel was written for young readers.

I want to help kids enjoy reading and learning new adventures, to discover by reading.

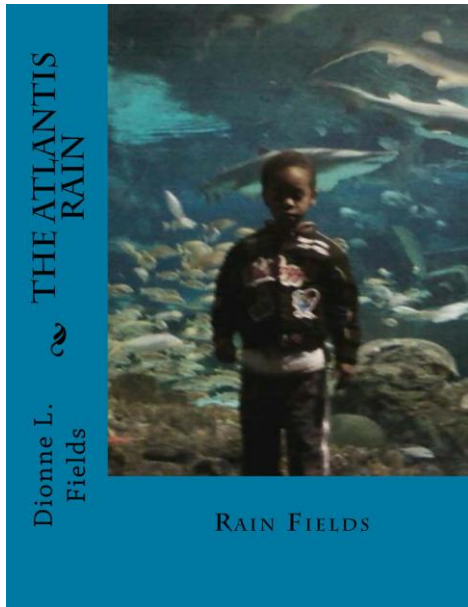

These books are for young readers attending elementary school.

The Atlantis Rain:

The story is about a little boy who is just seven years old.

A second grader, who finds learning about science and history in school, will be a fun adventure.

While on a school field trip to the Smithsonian museum.

The boy discovers the myth about the Atlantis world on his own.

The young boy in this novel learns about other students

And children called the Atlanteans.

And how they learn and survive in the myth world of Atlantis at school  
Nearly nine thousand years ago.

A young girl an Atlantean around the age of eight years old a third grader, who helps  
Rain learn about her family.
