Dionne Fields Reality TV Show.

“Introduction”

One day real soon I will have my own Reality TV Show.

Fox TV or VH1 would be my 1st choice to air my reality show

I wanted to have my own reality television show, to honor and support all the youth Volunteers.

When young people have the chance to serve their communities, everyone benefits.

Young people gain skills necessary to success in school, in the workplace, and in life.

The community develops strong, diverse groups of inspired, civically engaged young people.

Dionne Fields Reality TV Show, will also have a feature story of the week

Youth community service for teens is often a need for graduating high school.

And its a great way for students to build their resumes and career paths.

But volunteer work for high school students can be a life-changing experience, one that allows teens to expand their horizons and foster meaningful relationships.

There thousands of nonprofit organizations in all 50 states, for teens under 18.

Who are interested in everything from working with animals to volunteering at homeless shelters and local food pantry.

When our young people volunteer it increases young people's feelings of community connectedness.

Youth who participate in community service are likely to graduate than those who did not.

When students who participated in service learning in their community.

They have better test scores than nonparticipating students, particularly in social studies, writing, and English and language arts.

Volunteering at any age is associated with a good increase of finding a career.

Youth Volunteering in one's youth leads to a lifetime of service and philanthropy.

I believe that most adults involved in community service or philanthropy started as children.

Dionne Fields Reality TV Show weekly schedule

Monday: I would to honor youth volunteers across America.

Tuesday: I would to honor elderly volunteers across America.

Wednesday :I would to honor athletic sports volunteers across America.

Thursday: I would to honor teacher volunteers across America.

Friday: I would to honor volunteer firefighters and volunteers in the medical field across America.

Once I'm to have all the funds, I need to buy a new place for my 24-hour food pantry and clothes closet.

I would love to have about 25-50 youth volunteers to come help me with food drives and giving away food to needy kids.

It makes a child, feel special when someone their own age, help them with food and clothes.
