Silence

Chapter 1

Every since February 2008, I have been trying to seek justice for my son.

Who at the time was only 19 years old; we were living in Knoxville Tennessee.

Our black history month is in February; it was in the February 2008.

When my son was racial profiled, right in front of his own home.

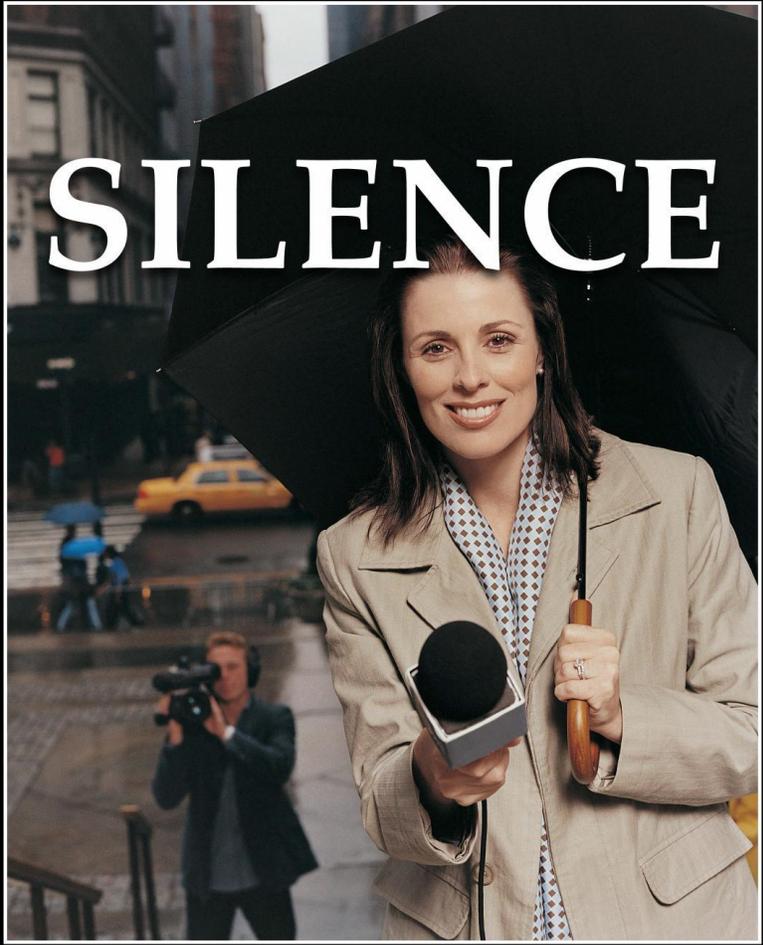

In February 2012, I read about another teenage boy who was also racial profiled in his own neighbor hood by a security guard.

Chapter 2

This page you would see copies of legal documents and how no one in the state of Tennessee, that tried to help my son.

They did nothing to help son or protect him from years of being racial profiled.

To help heal my broken heart, I'm breaking my **SILENCE** by telling the true story about how my son was racial profiled.

SILENCE

DIONNE L FIELDS

On Sunday February 3, 2008, the time was around 9 pm.

I was in my bedroom, putting on my pajama, and getting my youngest son Ready for bed.

My youngest son at the time was only 8 months old, while I was putting my Son to bed.

There was a loud knock on the door, my neighbor came crying to me. And said that the two security officers are harrassing your son again.

I grab my baby and my bedroom shoes, and went running out side to house to make sure My 19 year old son was not hurt.

There he was on the ground, with the two security officers taking turns kicking My son in his face with their boots. In the middle of the streets, they was just beating my son with the hand cuffs on him.

I saw my son's blood on the side walk, in front of my apartment complex.

I was crying and pleading, begging the two security officers to leave my son alone.

The two security officers threaten to taser, my 8 month old baby in my arms if I didn't Keep SILENCE.

The Tennessee security officers falsely accuse and falsly arrested my son, with out reading him his rights.

They did not take my son straight to jail, they took him to a wooded area in Tennessee.

The two security officers, with fire arms and hand cuffs, drag my son out the back of the police car with the hand cuffs still on.

They continue to take turns beating him, laughing and calling him Nigger.

The two Tennessee security officers also urinated all over my son's clothes.

Hours later they drop him off at the police station in knoxville , Tennessee. The police station didn't give my son his one phone call, until the next morning.

The next day the two security officers threaten to hang me In a tree, **if I told anyone** what they did to my son.

They told me to keep SILENCE.

Silence

Today I'm breaking my **silence**, by writing this self-help novel for all the mothers in America.

Who son was racial profiled by a security officer or a police officer.

Every time I turn on the news, I hear stories of African- American mothers, who had to endure the nightmare of her son being racial, profiled to death.

This self- help novel is to encourage every heartbreaking mother, to continue to speak out and share your story with the world.

And just maybe one day soon, racial profile will be a crime and justice will one day be serve.

Every since February 2008, I have been trying to seek justice for my son. Who at the time was only 19 years old; we were living in Knoxville Tennessee.

Our black history month is in February; it was in the February 2008. When my son was racial profiled, right in front of his own home.

In February 2012, I read about another teenage boy who was also racial profiled in his own neighbor hood by a security guard.

I moved here with my two sons, in 2007 thinking that times has change for African- American men.

Since the assassination of, Dr. Martin Luther King in Memphis Tennessee in 1968.

I have been trying for years since February 2008, to get legal justice for my son. Today I'm starting a support group for mothers like myself, who son has been racial profiled.

Every time I turn on the news, I hear stories of African- American mothers, who had to endure the nightmare of her son being racial, profiled to death.

This self- help novel is to encourage every heartbreaking mother, to continue to speak out and share your story with the world.

Dear Dionne:

Thank you for writing to me. Listening to and learning from Tennesseans is very important to me, and I appreciate hearing from you.

After consideration and review, I believe that your best course of action is to seek legal advice regarding this matter. An attorney of your choice is in the best position to advise you of your options. This office cannot advise you from a legal standpoint.

I genuinely hope that an appropriate resolution is found soon. Please accept my best wishes, and I look forward to working with you and all Tennesseans to make our great state an even better place to live, work, and raise a family.

Warmest regards,

Dear, Citizen Review Board

April 10, 2008

I'm filing a written complaint on the behalf of my son Diamond Fields. For years my son has been harass, racial profiled, maliciously falsely accused, and bullied by The security officers employed by Centurion security agency here in Knoxville TN. Big Oaks Apartments has fired them several times, and each time has kept them on pay roll. The security officers of Centurion Security Agency, their only job is to put innocent people in and jail or evicted innocent people. They can comment murder and big oaks apartments will still keep them on payroll.

On February 2, 1008 around 9: 30 pm, two white security officers of Centurion Security agency saw my son walking home from a friend house. They both physically assaulted my son; they both took turns beating my son, while he was still on the ground. This police brutality did just end there. They both told maliciously lies on a police report and had my son arrested on false charges. They never did read him his Miranda rights when they put the hands cuffs on his arms and put him in jail.

On February 15, 2008 Big oaks once again fired the security officers of Centurion Security agency. And on **April 8, 2008** Big Oaks Apartments has hired them back. As a single parent mother, my son Diamond has no criminal record; he has never gotten a speeding ticket. I'm tired of the security officers of Centurion Security Agency getting away for years of harassing, maliciously lies, false accusations, false arrest, bullying, ect. My son all because he is an African American. My son takes care of my youngest son while I work full time. He is now making plans to attend college some day in business.

Thanks for taking time out of your busy schedule to support my discrimination complaint against the security officers of Centurion Security Agency, working for HUD section 8 housing at Big Oaks Apartments.
