A stylized illustration of a landscape. The background is a solid dark blue color. In the upper left, a large, dark blue arch shape spans across the top. To the right, a smaller hill features a dark green, bushy tree. On the far right, a white cloud is partially visible. In the lower left, a dark brown house with a gabled roof has two windows with yellow light and blue curtains. A small green bush is in front of the house. In the lower right, a purple skateboard with pink wheels is shown on a dark blue surface.

Hi, I'm Crow.

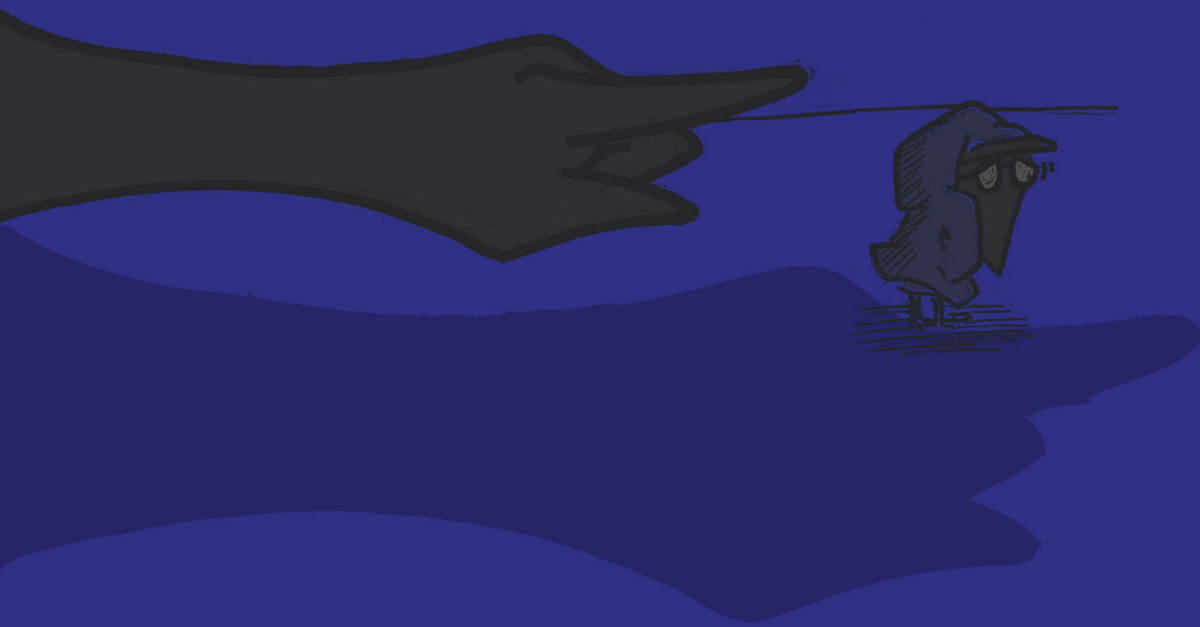

Crow from The Shadow.

The Shadow is a person...

or maybe a thing...

or a place.

The Shadow tells me  
who to be,  
how to go,  
and where to stay.

I wear all black,  
although my favorite color is blue.

Black cap. Black shades.  
Yep, that's what The Shadow tells me to do.

School is easy,  
I can always get an "A."

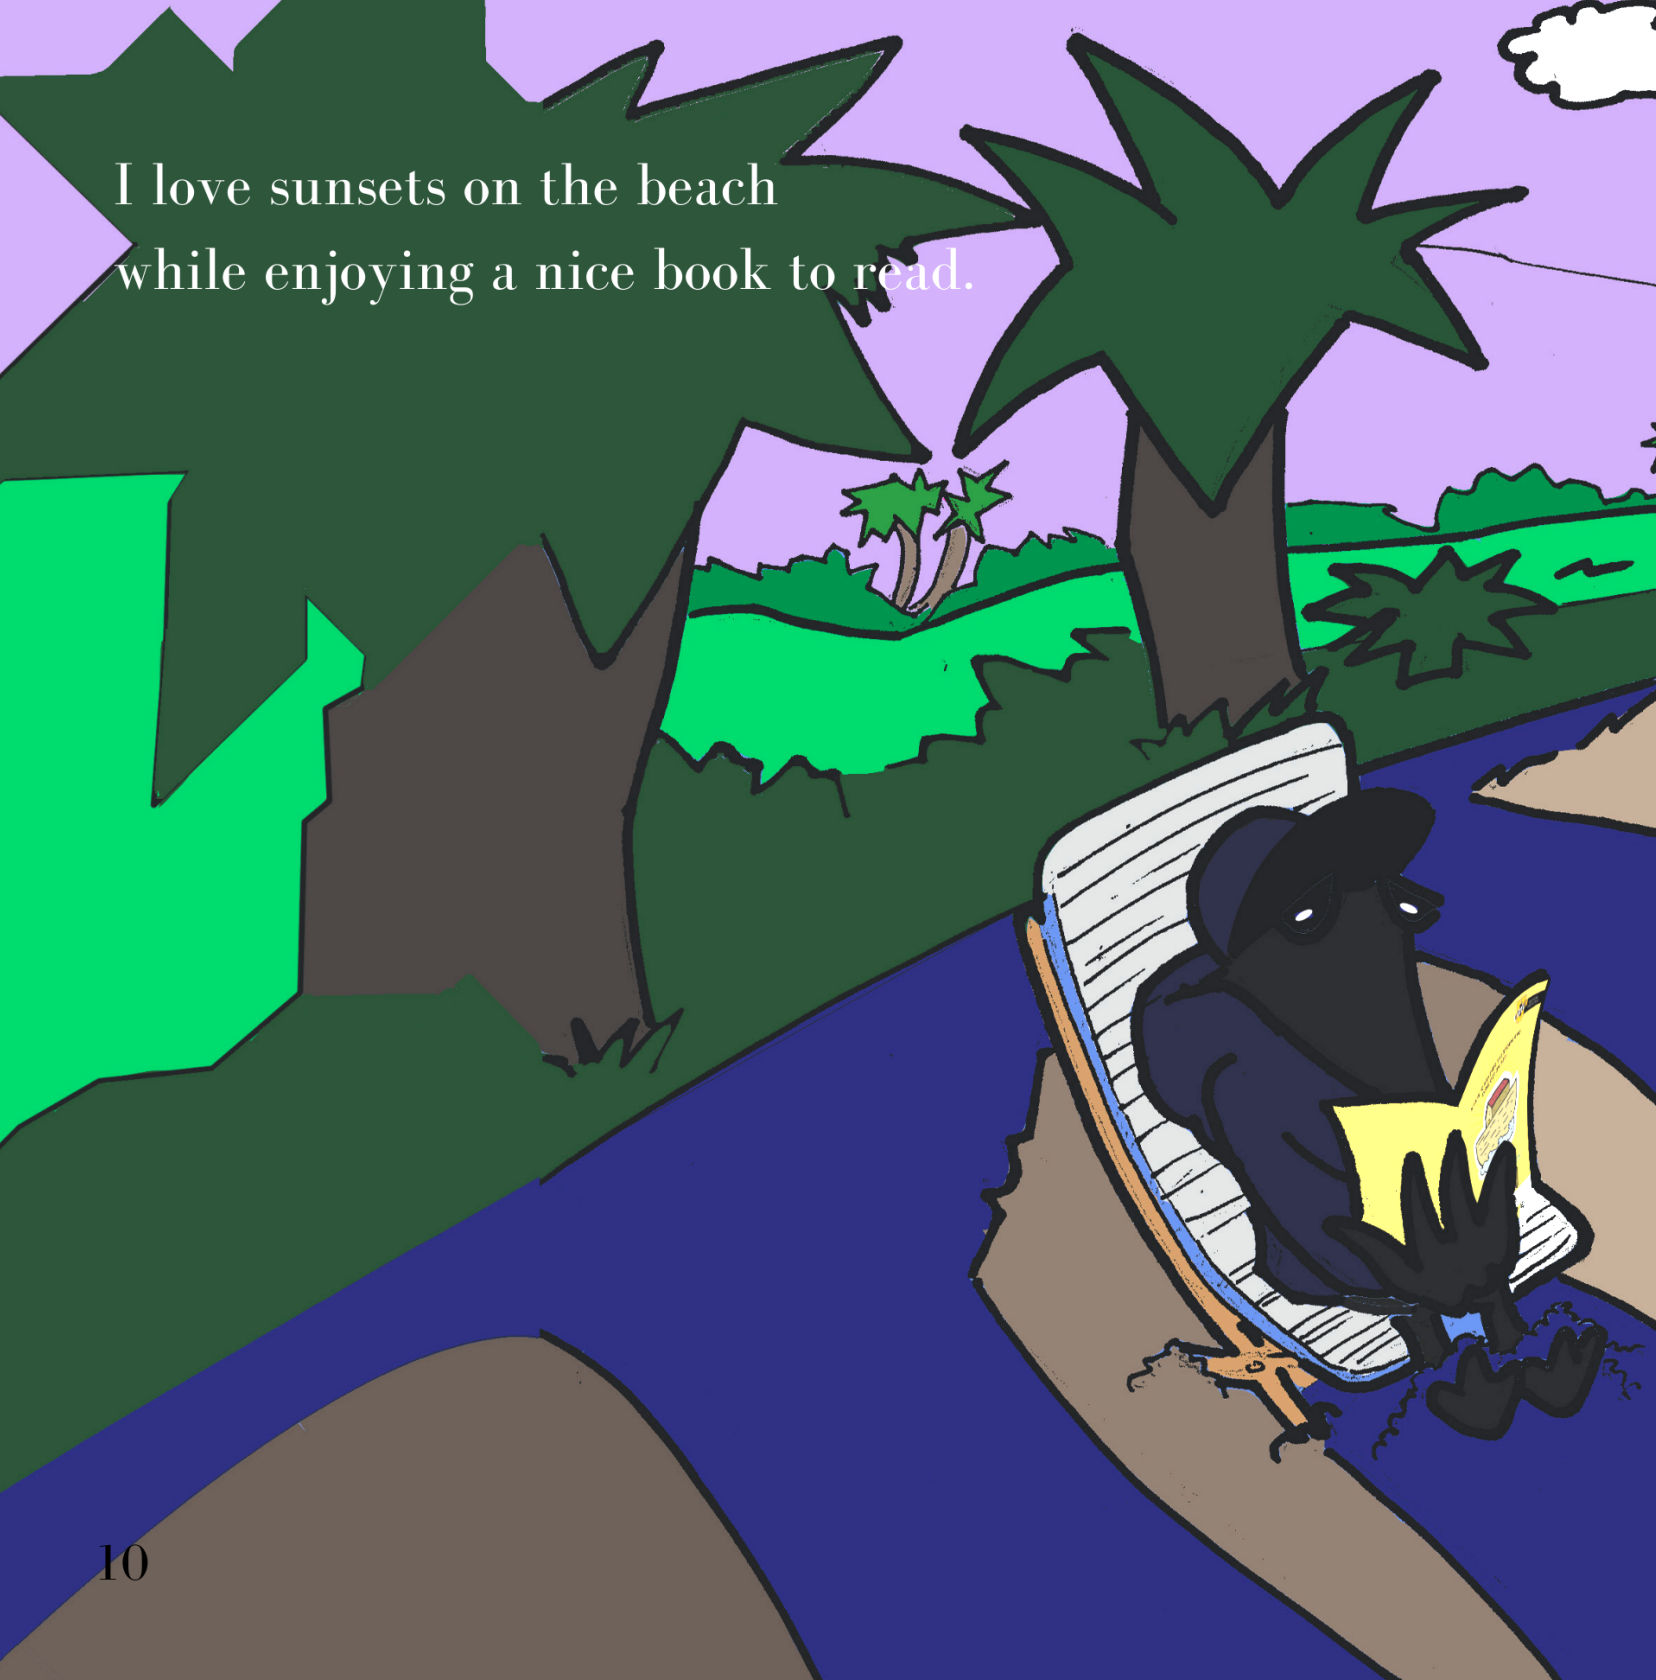

Name Crowl

1)  $2 + 2 =$  blu

Buuut, why would I do that?  
That's not The Shadow's way.

I love sunsets on the beach  
while enjoying a nice book to read.

Buuut, The Shadow said reading is boring,  
so that hobby is not for me.

I love flying like the wind  
while I chat with my friends.

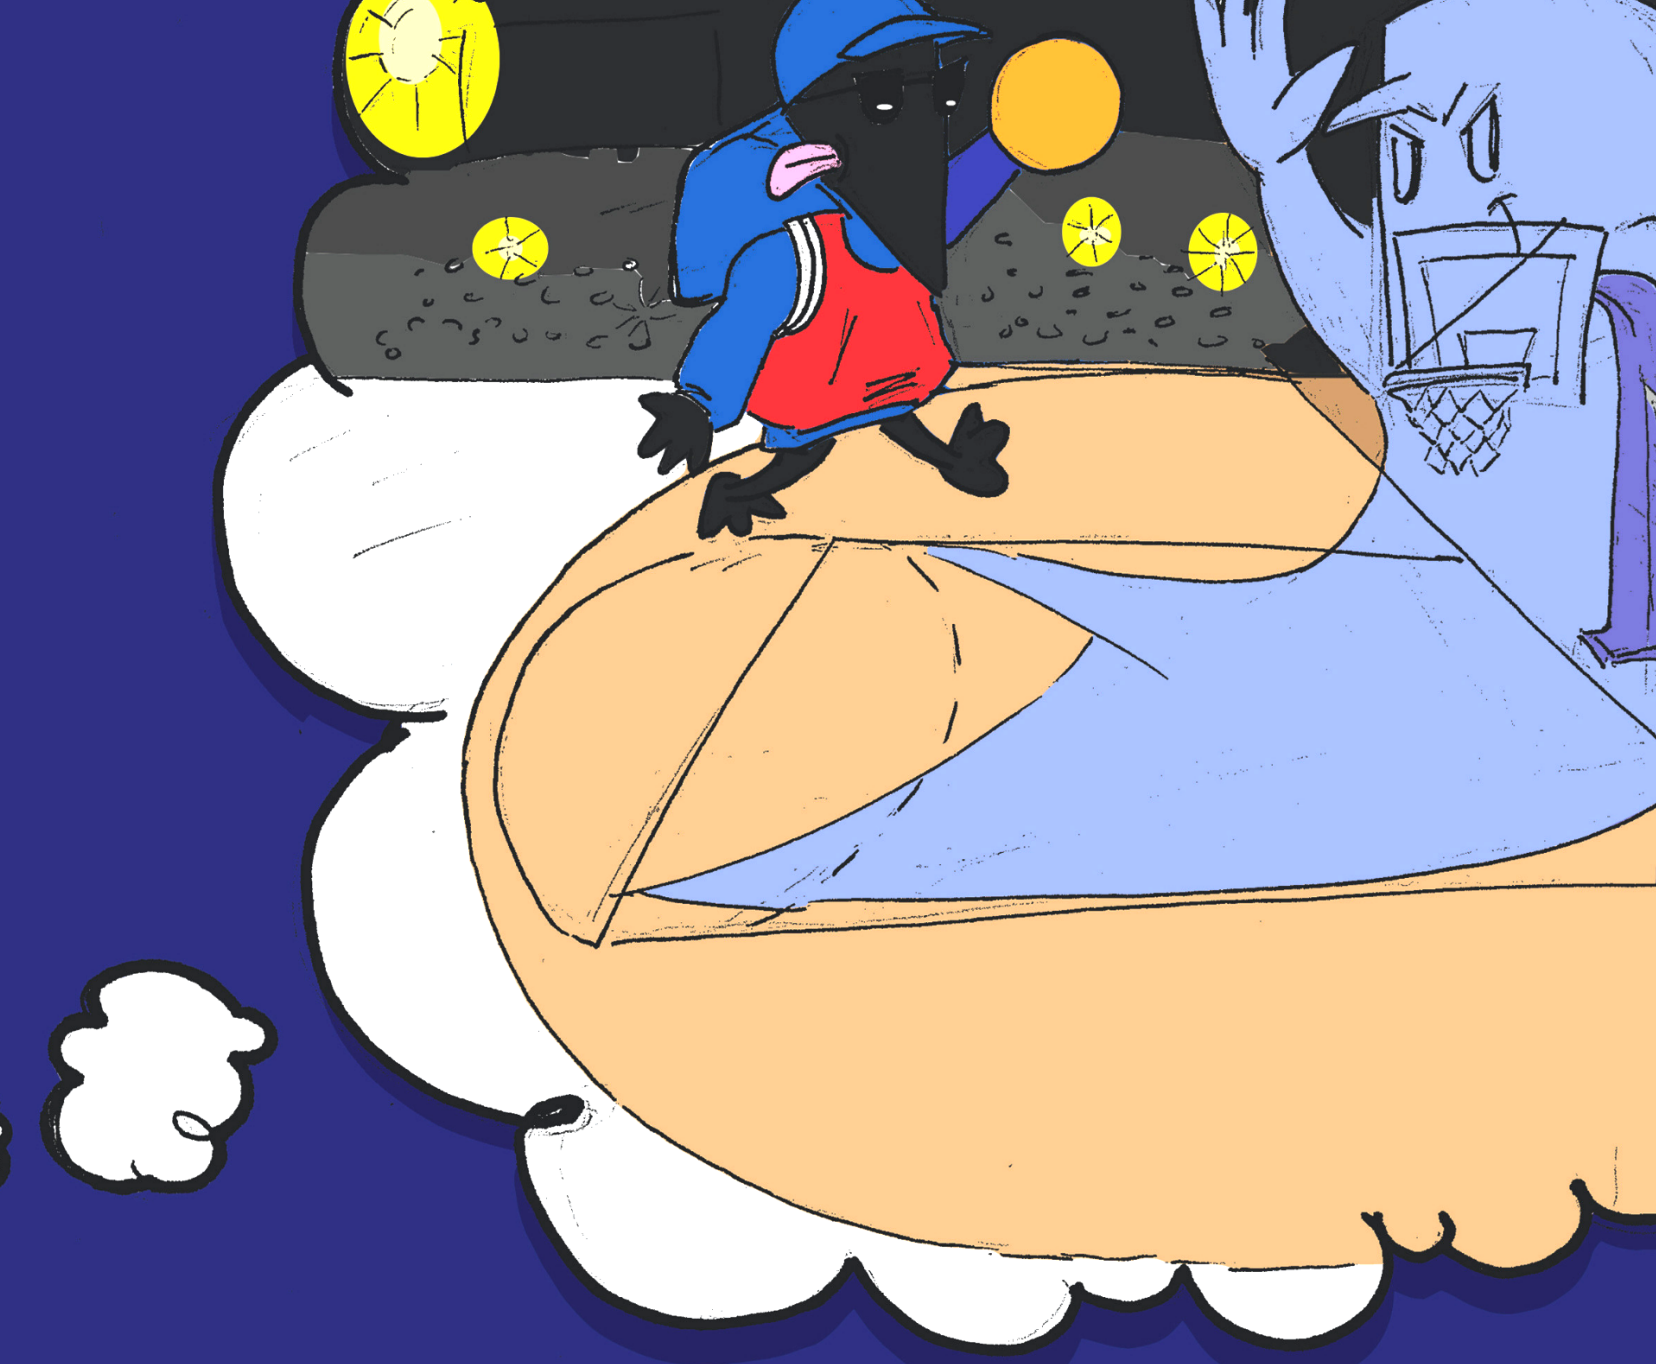

Buuut, The Shadow said that I am a loner,  
so I just play pretend.

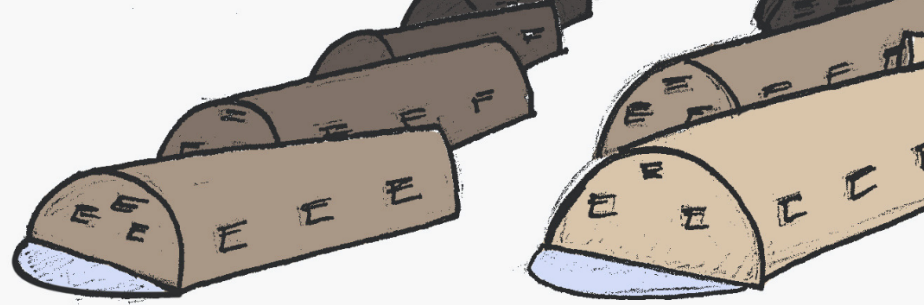

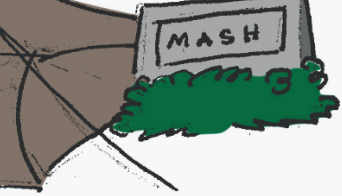

I really love sports!  
Basketball is what I love to play.

Buuut, The Shadow said, "Don't play sports."

So, I just sleep all day.

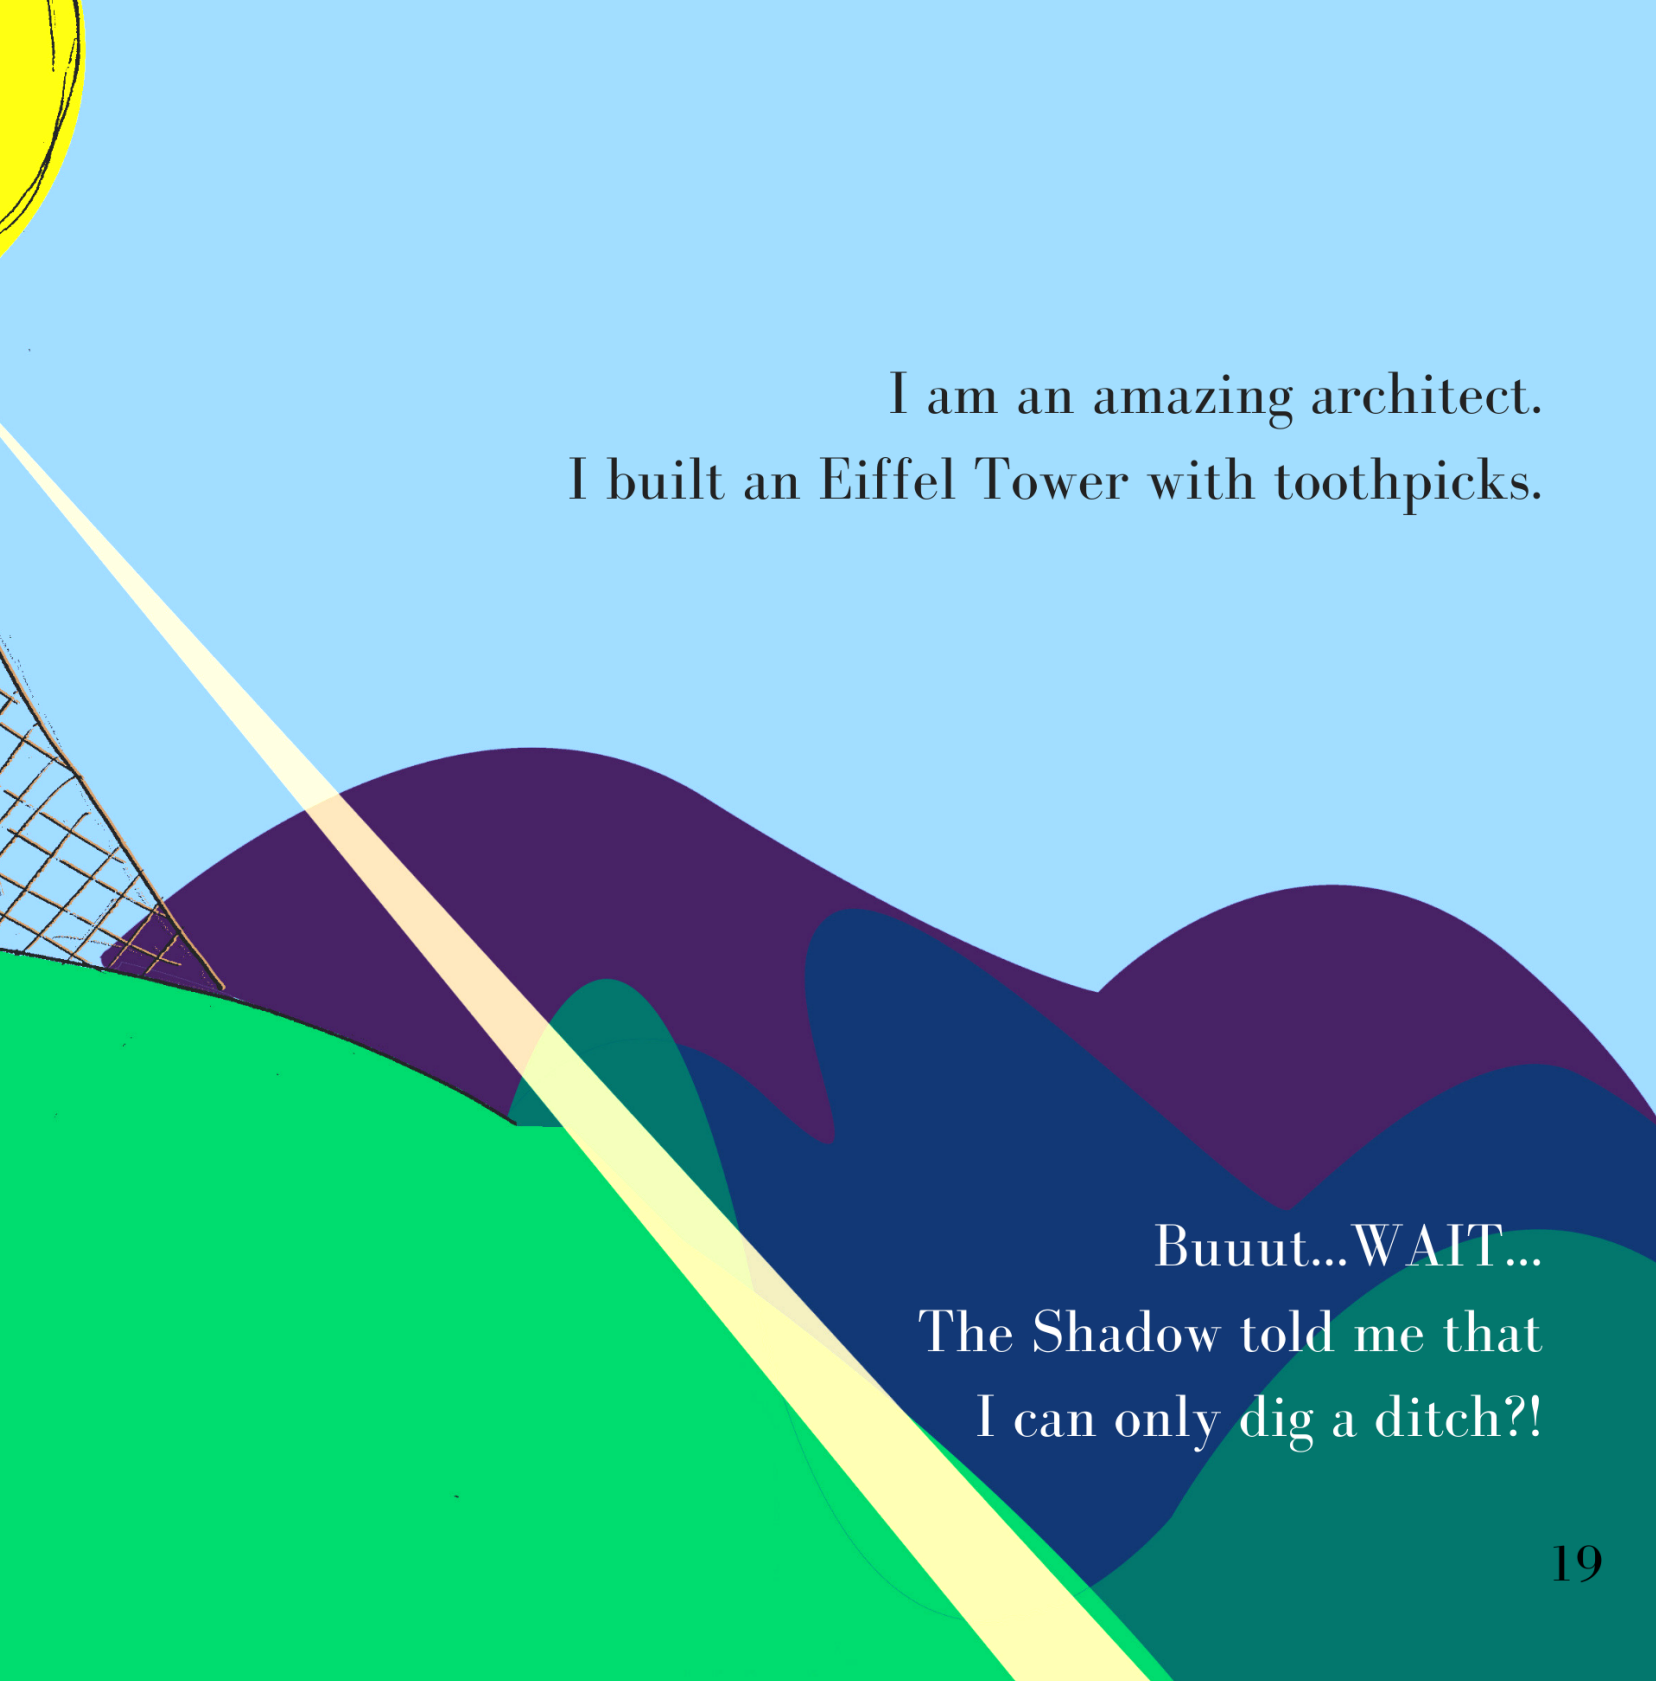

I had a dream that I earned a degree and  
decided to protect and serve.

Buuut, The Shadow told me that I would never  
overcome life's hills and curves.

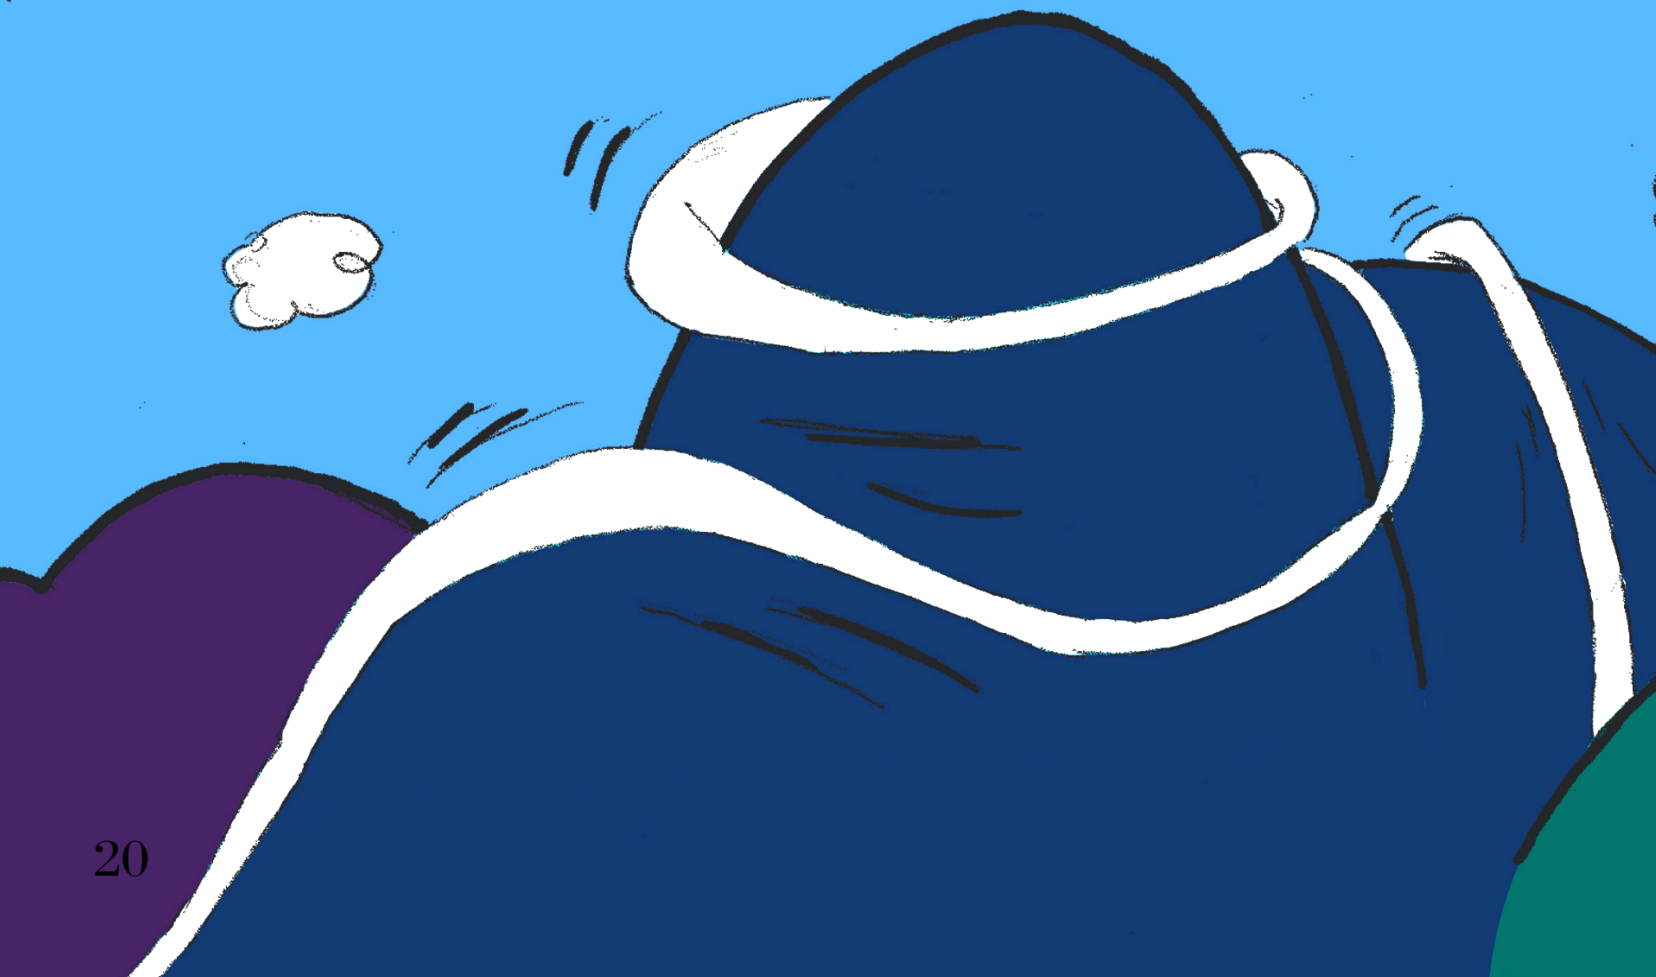

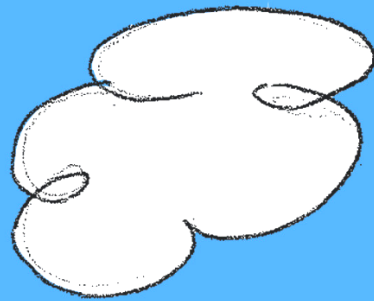

I am an amazing architect.  
I built an Eiffel Tower with toothpicks.

Buuut...WAIT...  
The Shadow told me that  
I can only dig a ditch?!

I have climbed a mountain,  
and I have sped around curves.  
I have greeted many friends,  
and I have read hundreds of words.

I have great manners,  
and I am excellent at school.  
Why should I listen to The Shadow  
when The Shadow tells untruths?

**I CAN BE A SUCCESS  
AND EVEN CHOOSE A MATE!**

**WHO GAVE THE SHADOW  
THE POWER TO CONTROL MY FATE?**

I will move forward  
and become all that I can be.  
Only one can determine my future.

Congratulations

Graduates!

That one is me!

THE  
END

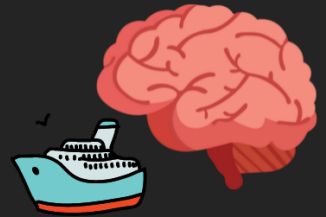

I KNOW CROW'S CAN LOOK A LITTLE SCARY, BUT

# DID YOU KNOW...?

Crows and ravens are cousins...

They belong to the same genus!

Crows are really smart because of their HUGE brains!

Crows from different places speak different languages...  
just like humans!

Older crow siblings can help their parents raise newborns!

Crows have great memory and can remember your face...

Better mind your manners next time you see a crow!
