Part One

Prologue

**Arriving in Atlanta, Georgia**

#

Benny Dubious finally got off his flight as he landed in Atlanta, Georgia. It was the next assignment given to him by his close associate Zafar Mehmet. Zafar wouldn't be physically with Benny, but would guide him throughout his ordeal during the trip. Benny had his signature white suit and white hat on as he soon took his luggage from the terminal of the airport.

#

“Have a nice visit in Atlanta, Georgia” said the clerk by Benny.

#

Benny said nothing but smiled as he tipped his hat to the clerk and headed off. He then soon ordered a rider share order from an app on his cellphone to be taken to his hotel.

#

“Welcome to Atlanta, Georgia Mr. Benny Dubious” said the driver.

#

The driver didn't seem to care who his passengers were, Benny felt like an odd fellow but the driver shrugged it off as he continued on the trip. Benny was hoping to meet up with the Jana brothers known proponents of the Red, White and Secure. President Harold Truax was said to be in hiding since his departure from the Presidency. Rumors of a revolution swirled around the country as President Truax was expected to make a late entry into the Presidential race.

#

**Benny Gets Ready**

#

Benny Dubious soon arrives at his hotel, already a text message was sent by his associate Zafar Mehmet just checking in on Benny if he arrived okay.

#

“Benny, just checking in that you landed safely” said Zafar in the text message.

#

Benny smiled at the text message as he got inside the hotel room and began to put down his luggage.

#

“I am here” said Benny in a reply message.

#

“Good” said Zafar, “the Jana brothers will contact you very shortly.”

#

Benny smiled, soon an number unfamiliar to Benny began to ring on his cellphone. As Benny picked up on the other end, Dev Jana answered the call.

#

“Hello Mr. Benny Dubious?” asked Dev, “I am Dev Jana and my brother Ojas is with me.”

#

“Pleasure that you called me” said Benny.

#

“We’d like to meet with you within an hour to discuss our concerns with the upcoming Senatorial race” continued Dev.

#

Benny understood getting 100 million dollars for this job would make him even wealthier even if it meant ticking off the Blue Eagle Collective. The Malian crime boss had no idea the supposed Deep State would soon be after him for meddling into their affairs.

#

### **The Diner Meeting**

#

Benny soon was going to meet the Jana brothers at a local diner for dinner. It was going to be a business meal, as Benny took another rider share service, he couldn't help but to notice a few mysterious men in suits were observing him. These men in suits didn't seem like Secret Service agents, but they were all wearing a dark blue formal clothing.

#

“Just who the heck are they?” thought Benny in his head.

#

Benny shrugged it off, but in reality the men and women in the suits were Blue Eagle Collective agents watching Benny.

#

“He's leaving the hotel” said one of the men through a communication device headset.

#

“Keep a close eye on him” said the mysterious voice, “this Benny Dubious is a wild card that we must observe carefully first before any action is to take place.”

#

“Yes boss, over and out” replied the man.

#

Benny continued his ride towards the diner, when Benny got out, the Jana brothers already had a table in a private room of the diner. There was Samuel Roth, the main opponent of the Blue Eagle Collective ready to greet Benny next to him was his cousin - Hugo Roth.

#

**Enter Samuel Roth**

#

Samuel Roth shook Benny's hand quite firmly, there was a sinister smile on the man but he was quite happy to see Benny.

#

“So you must be Benny Dubious, I have heard so much about you through your close associate Zafar Mehmet” continued Samuel, “he told me personally he recommended me to hire you for this operation.”

#

“He did?” asked Benny.

#

“This is my cousin Hugo Roth” said Samuel.

#

Hugo soon gets up and shakes Benny's hand.

#

“Pleasure to meet you Mr. Dubious” said Hugo.

#

“Uh, the pleasure is all mine” said Benny.

#

“I see you met the Roth cousins” said Dev, “I am Dev Jana and this is my brother Ojas Jana.”

#

“Hello” smiled Ojas.

#

“So what’s my job going to be?” asked Benny as he sat down.

#

“Patience” said Samuel, “the Blue Eagle Collective’s outgoing Senator Amos Carver III isn’t going to run for office anymore. He has selected his daughter Ms. Nia Hope Carver, she is a known entertainment attorney in the state of Georgia.”

#

“Interesting, so what do you want me to do about her?” asked Benny.

#

“We’re going to need you to work with the Jana brothers and my cousin Hugo to plant listening devices in her apartment” continued Samuel, “I get the feeling she is hiding something from the public that needs to be exposed.”

#

Benny smiled, he was pleased to be part of the team for this operation.

## Chapter One

### Nia's Address

#

The Jana brothers gave a diagram of Ms. Nia's apartment complex which was located in the heart of downtown Atlanta, Georgia. Benny's rider share ride just past that location not to long ago on his trip to meet up with them.

#

"That place looks familiar" said Benny.

#

"Well, Mr. Dubious since you did traveled there before this is the perfect job for you" said Dev, "we have listening devices in the back of our van, we'll retrieve them for you once the meeting is over."

#

Samuel was hoping that his cousin Hugo would get on the action, much to the disapproval of Josephine, Samuel's wife who kept on text messaging him during the meeting. Samuel ended up ignoring those messages as the meeting continued.

#

"I am glad that we have someone who applies unorthodox methods to get the job done, the bill for the restaurant is on me" chuckled Samuel to Benny and the others at the table.

#

As the meeting finished, Benny along with Hugo and the Jana brothers headed outside. Samuel grumbled at his cellphone seeing the row of text messages from his wife - Josephine.

#

“Why haven’t you picked up, are you cheating on me?!” cried Josephine in one text message.

#

Samuel knew he would have to speak to his wife, as he did, when she picked up she wasn’t thrilled over his campaign for the Senate.

#

“You know all sides are into illegal activities” said Josephine angrily on the other line.

#

“Listen, dear it’s the rules of the game that there are no rules” chuckled Samuel.

#

Josephine didn’t like Samuel’s answer as she kept on nagging him, for Benny, Hugo and the Jana brothers their fun was about to begin.

#

### **The Listening Devices**

#

The Jana brothers showed Benny and Hugo the van outside the dinner, in the back of the van were the listening devices.

#

“Take these listening devices and try to find access to Nia’s apartment” said Ojas.

#

“Don’t you worry, I will show Hugo the ropes of everything” chuckled Benny.

#

Benny and Hugo took the listening devices from the back of the van, as they headed out, Samuel

wanted to wish the two good luck on their mission.

#

“Just wanted to let you both know that I wish you the best of luck” said Samuel.

#

Hugo could tell that his cousin was more appreciative of Benny Dubious being on the mission and not particularly him at all. Hugo tried to shrug off, not being jealous of Benny’s antics in the past. As they placed the listening devices in their car, Benny soon got into the shotgun seat as Hugo soon started the car.

#

“Nervous?” asked Benny to Hugo.

#

Hugo had a small crush on Nia Carver, even before his cousin Samuel tossed his hat into the ring. As Hugo started to drive off, Benny could tell Hugo lacked the experience with this sort of operation.

#

“My cousin doesn’t believe I can pull it off, he didn’t say it in the meeting but I felt that vibe from him” said Hugo.

#

“Understandable why he didn’t say it” said Benny, “besides, learn a thing or two from me and I will show you the ropes.”

#

Hugo held his breath and sighed as he continued on the road towards Nia’s apartment.

#

### Nia's Apartment

#

Once Hugo and Benny arrived at Nia's apartment, they noticed her apartment room was on the fourth floor of the complex. Benny knew he had to sneak into the manager's area of the apartment to get the master key so that they could sneak in.

#

"You just leave me getting the master key to me, so that we can make an entrance" said Benny.

#

Benny strolled over to the apartment complex's main office, a clerk gazed at the strange man entering the office.

#

"Excuse me, can I help you?" asked the clerk.

#

Benny glanced at the clerk, he then noticed the master key wasn't far from where she was sitting.

#

"I am part of a new cleaning service that Ms. Nia has signed up for, I need access" said Benny.

#

Benny brought over a fake business card to the clerk.

#

"I will have to check with the manager" said the clerk.

#

The clerk soon heads to the back area where the manager is busy in his office.

#

“Yes?” asked the manager.

#

“A cleaning service is here for Ms. Nia’s apartment” said the clerk.

#

“Give them the master key” said the manager.

#

The manager and the clerk were clearly oblivious to who Benny Dubious was as the clerk handed over the master key. Benny smiled with joy.

#

“Pleasure doing business with you, I will return the key once uh, my little service has been completed” chuckled Benny.

#

Benny soon headed back to where Hugo was waiting, easier than said and done.

#

### **Setting Up the Listening Devices**

#

Benny soon returns to Hugo with the master key.

#

“Ha, now we can enter her apartment” chuckled Benny.

#

They then grab the listening devices from the back of the car and head towards Nia’s apartment, as they start to plant the listening devices around the apartment, Hugo didn’t think Nia was a bad person as he began to set everything up. He was privately having second thoughts about his

cousin Samuel's run for public office.

#

"Benny, do you ever have a conscious that keeps on telling you this could be wrong?" asked Hugo.

#

Benny shrugged it off with a laugh.

#

"Ha, that's funny" chuckled Benny, "really funny. You're a joker!"

#

Benny was purposely being a clown in front of Hugo, this was serious business for Benny and it would mean he wouldn't get the 100 million dollars promised by the Red, White and Secure. As the two finished planting the listening devices, they soon headed out of Nia's apartment. Benny soon brought back the master key to the clerk at the apartment office and soon headed back to the car.

#

"Let's drive to the park so that she wouldn't suspect we're onto her" said Benny.

#

Hugo soon drove off to a nearby park where they'd simply play the waiting game.

## Chapter Two

### Nia Arrives Home

#

Ms. Nia Hope Carver soon arrived back at her apartment, nothing was out of place from Benny and Hugo planting the listening devices around her dwelling. Nia just got back from a campaign rally and wanted to rest. She was stressed out over her father - Senator Reverend Amos Carver III's pressure for her to keep up with her campaign.

#

“Uh, I can't continue like this, I am going to need some help” said Nia.

#

Nia was unaware of the listening devices planted all over her complex. She decided to take a shower, and then rest for the evening. She ignored a few text messages from her campaign manager - Ms. Ashura Clark who wanted her to go to an evening event.

#

“There's an evening event that your father and I have agreed upon seeing you there” said Ashura in the text message.

#

Nia grumbled as she glanced at it, as she decided to take a shower and rest until the evening arrived back with Benny and Hugo there was nothing going on that warrant a scandal.

#

“It's just her getting ready for some other event” said Hugo.

#

“Well we need to know the address of that event so that we can spy on her” said Benny.

#

Benny was doing his best trying to show Hugo the ropes, he could tell Hugo was nervous as the operation continued. As the evening approached, Nia soon got on the phone with her campaign manager.

#

### **Fundraiser Banquet**

#

Nia soon got ready for the banquet, she had dressed up in a beautiful purple dress, her campaign manager Ashura Clark was still nagging on her to get there early.

#

“You have to get there early, the banquet is just a few paces away from where you are” said Ashura.

#

Ashura’s nagging was getting to Nia as she began to head out of her apartment, she soon headed towards the garage of the apartment and soon drove off. Benny and Hugo were just nearby the apartment in the park’s parking lot when they noticed her driving off.

#

“Let’s follow her” whispered Benny.

#

Hugo sighed as he started to drive off, they didn’t find any sort of incriminating information against her so far. They could tell she was just nervous with all of the nagging from her father and campaign manager. Nia didn’t realize that she was being followed by them as she drove

towards the banquet.

#

“Stay in the car, let a professional like me handle everything” said Benny.

#

Hugo parked the car and Benny soon got out, Benny was no doubt dressed to crash this occasion, but as Benny stepped towards the banquet he could see a few men and women in strange blue suits with strange headphones running around. They had to be Blue Eagle Collective spies. Great thought Benny, he would need to find some other way to gain access.

#

### **Nagging Father**

#

While Benny was trying to find a way to sneak in, inside the banquet hall was Reverend Amos Carver III with Nia’s campaign manager Ashura Clark.

#

“You’re late” said Senator Amos.

#

The Senator wasn’t pleased that his daughter was just a few minutes late.

#

“I’m sorry father, there was so much traffic” said Nia.

#

“Just greet your constituents” said Ashura.

#

Ashura was nervous that Nia would screw up this event, she wasn’t like her father at all.

#

“She is definitely not a people’s person” said Senator Amos.

#

“No, I’m afraid not, she’s currently ahead but only by a slim margin” added Ashura.

#

“That Samuel Roth has former President Harold Truax backing his campaign even while he’s in hiding” said Senator Amos.

#

The Senator was aware of the former President’s failure to win his re-election and was prepared to make a big comeback in some manner. The Blue Eagle Collective spies were doing their best trying to do some crowd control.

#

“Easy, easy” said one male spy.

#

Nia greeted some of her constituents at the fundraiser, they were quite pleased to see her.

#

“Hey, don’t worry, you’ll get that Samuel Roth” chuckled a male constituent.

#

“Yea, you’ll beat him fair and square” added a female constituent.

#

The constituents were quite thrilled to meet Senator Amos’ replacement, they didn’t seem to care about the nepotism claims by Samuel’s campaign.

#

**Sneaking In**

#

Benny found a way through the back area of the banquet, he could see there were just a few men and women Blue Eagle Collective spies just outside.

#

“Shift is over” said the woman spy.

#

The young male spy sighed with relief as his shift was finally over as well. Benny knew this was his chance to head into the back area, as he did he could see the kitchen area of the banquet. The various chefs and servants were getting ready for the fundraiser.

#

“So many guests” remarked one of the chefs.

#

Benny decided to disguise himself as one of the servants so that he could blend in with the crowd. He grabbed a spare suit that was available and soon headed towards the men’s bathroom to put it on. It was a little different from his usual white suit, but it would have to do.

#

“Now I can blend right on in” chuckled Benny.

#

But as Benny was about to head in, a chef was finished with an order of appetizers.

#

“Here, take this plate in” said one of the chefs.

#

Benny did his best trying to hold the large tray of appetizers, he wasn't use to balancing so many items on a plate. He had to keep his cool if he didn't want to make a scene.

### Chapter Three

#### **Balancing Act**

#

Benny was doing his best to balance the large tray of appetizers that he was carrying with one hand on its palm out. He attempted to look like one of the fancier servants serving the appetizers before the constituents of the fundraiser.

#

“Your appetizers” said one of the servants.

#

The Malian crime boss did his best to imitate the act before him, he leaned over with the tray of appetizers and a few of the Blue Eagle Collective spies began to grab the food off of the tray.

#

“My compliments to the chef” chuckled one of the female spies as she took an appetizer.

#

Benny continued strolling with the tray on the palm of his hand through the crowd in the banquet hall. Nia who was busy speaking to a few members of her constituents noticed the odd servant.

#

“Is that a new servant?” whispered Nia to one of the servants besides her.

#

The servant shrugged.

#

“There are so many of us, it’s hard to keep track” remarked the servant.

#

Benny could tell he was spotted by Nia, and then he noticed her father Senator Amos and her campaign manager Ms. Ashura Clark. The Malian crime boss was doing his best trying to maintain the act.

#

### **Recognizing Benny**

#

Senator Amos suddenly realized who Benny Dubious was, he wasn't fooling anyone.

#

“Daughter, may I speak to you?” whispered Senator Amos.

#

Nia agreed, Ashura decided to allow the two to have some privacy as they headed off to a corner of the banquet.

#

“That man isn't a usual servant of the banquet” said Senator Amos.

#

“Well the other servants can't keep track” said Nia.

#

“An excuse” said Senator Amos, “I have seen that man's image before but from where.”

#

The Senator knew he would have to take sometime to figure out Benny's identity, Nia decided it was best just to get back to the fundraiser.

#

“I have to get back to the fundraiser” said Nia.

#

“You do just that” said Senator Amos.

#

The Senator soon headed to where a few Blue Eagle Collective spies were just relaxing from their shifts.

#

“There’s been a breach” said Senator Amos, “I think I might have spotted Benny Dubious pretending to be a servant.”

#

The spies gazed at the Senator.

#

“Are you certain you spotted him?” asked a male spy.

#

“I am most certain, Agent GA gave me a briefing of Samuel Roth trying to hire someone from the outside” said Senator Amos.

#

The Senator knew the Red, White and Secure were responsible for all of this infiltration using a former White Batch right-hand man to do the job.

#

### **Prompting a Distraction**

#

The Blue Eagle Collective spies believed in the Senator’s words and soon began to search the

premise for Benny. Benny could see the spies emerging from all corners of the banquet hall trying to search for him.

#

“I have to act” thought Benny to himself.

#

Benny wanted to pretend to be clumsy with the tray of appetizers before him, he pretended that he was tripping on his own shoes. Surely enough he threw the tray of appetizers, the tray was flying straight towards Ms. Ashura Clark!

#

“MY DRESS!” cried Ashura.

#

Benny knew this was his cue to leave, as he soon left the banquet hall, the Blue Eagle Collective spies were too busy trying to comfort Ashura. Senator Amos could get the feeling this was a diversion tactic by whoever was infiltrating the banquet.

#

“Gotta run” said Benny.

#

Benny soon headed straight back towards the car where Hugo was waiting.

#

“What happened?” asked Hugo.

#

“We have to get back to the park” said Benny.

#

Benny soon got into the shotgun seat of the car and Hugo drove off. He could tell Benny must have did something at the banquet to cause him to run. He would have to inform his cousin on the status of the operation.

#

### **Informing Samuel**

#

Samuel soon noticed Hugo's number on his cellphone and soon picked up.

#

"Yes, this is Samuel, how goes the operation?" asked Samuel.

#

Samuel was having dinner with his wife Josephine, wasn't so thrilled about the phone call disrupting their meal together.

#

"Can this be some other time dear?" asked Josephine.

#

Samuel shook his head and promptly got up the table, he soon strolled over towards the living room to take the call.

#

"Benny was at Nia's fundraiser" said Hugo on the other line.

#

"I see" chuckled Samuel.

#

Samuel could see the chaos brewing on social media over Ms. Ashura Clark's dress being ruined

by the appetizers being thrown at her. He laughed at the social media posts.

#

“This is totally the reason why I hired Benny” chuckled Samuel.

#

Hugo was confused on what his cousin mentioned.

#

“Have you seen the posts on social media over the dress that Benny ruined?” asked Samuel.

#

Hugo soon scrolled through his cellphone and noticed the coverage of the incident. He could see Blue Eagle Collective spies everywhere were searching for Benny Dubious.

#

“The Senator must have recognized Benny and this was a diversion” said Hugo.

#

“Exactly, just keep up the good work, if you can’t find scandals for Ms. Nia cause chaos for her instead” chuckled Samuel.

#

Samuel soon ends the phone call.

Part Two

## Chapter Four

### **Banquet Aftermath**

#

Back with the banquet hall, Ashura couldn't believe a stranger ruined her dress. It was all covered in appetizers that were tossed at her. She was still reeling over it.

#

"I can't believe someone just ruined my dress just like that!" cried Ashura.

#

Nia could tell her campaign manager was stressed out by the chaos that Benny caused. She didn't know who this Benny Dubious was but she got the feeling that her father wasn't telling her the entire story.

#

"That man at the banquet was Benny Dubious" said Senator Amos to his daughter and Ashura.

#

"What's someone like that from Las Vegas doing all the way here?" asked Nia.

#

"To cause trouble for your campaign" said Senator Amos.

#

The Senator didn't want to reveal too much to his daughter on the briefing of Benny Dubious by Agent GA. The Senator knew he would soon be in contact with him very soon.

#

“I will have to go to a meeting about this incident” said Senator Amos, “just be safe you two.”

#

Ashura knew she had to head home and clean herself up,, Nia just wanted the evening to be over and just rest. For the Senator work wasn't through at all.

#

### **Meeting with Agent GA**

#

Senator Amos headed out as he got into his car and drove to a secluded area of the city to meet with Agent GA and a few other members of the Blue Eagle Collective. Agent GA had briefed the Senator on Benny Dubious possibly arriving in Atlanta, Georgia. The Senator just didn't think it would be this early. The Blue Eagle Collective meeting was taking place at a disclosed diner in the outskirts of the city.

#

“Senator Amos Carver III” said Agent GA as he was waiting at the bar of the diner.

#

A few Blue Eagle Collective spies were standing around the diner, keeping watch.

#

“I spotted Benny Dubious trying to infiltrate the banquet” said Senator Amos as he took a seat next to Agent GA.

#

The agent glanced at the Senator.

#

“He has been a problem for Agents CA and NV” continued Agent GA, “he has been on the Blue

Eagle Collective radar for sometime.”

#

“Benny is a former right-hand man of Khalid Jared Muhammad” said Senator Amos.

#

“Yes, we have been keeping track of these former vigilantes” continued Agent GA, “they all think they can do whatever they want in society.”

#

Agent GA knew Benny was up to something with Nia’s campaign but didn’t know what. There was much more to discuss about the matter.

#

### **On the Matter of the Roths**

#

The Senator knew Samuel Roth was behind this operation and incident at the banquet and even Agent GA could feel that as well.

#

“Samuel Roth is behind all of this” continued Agent GA, “him and President Harold Truax.”

#

“The President hasn’t inserted himself yet into the Presidential race against his own people in the primary yet” said Senator Amos.

#

“Nope, and no one knows where he truly is” continued Agent GA, “there were threats against his life after all, along with his family trying to lower their social media outreach.”

#

“Benny Dubious is the third party that they have hired” added Senator Amos, “I must go inspect my daughter’s apartment.”

#

The Senator had a strong suspicion that Benny was involved in tampering her apartment but he didn’t expect to find anything. After the meeting ended, the scene switches over to Nia’s apartment. Nia headed towards the shower and changed into her clothes. She then headed to her room and went to bed. Too much excitement for one evening, she could understand why Ashura wanted her to continue with her campaign. Though she was ahead, it was only by a slim margin.

#

### **Following Morning**

#

Nia woke up the following morning and got ready for the next campaign event. Benny and Hugo had been sleeping in Hugo’s car the entire evening at the park.

#

“We should have gotten a motel room” said Hugo as he felt so beat.

#

Everything was uncomfortable in the car, especially with some of the other listening devices being used on a regular basis.

#

“Hey, I like this for a change” chuckled Benny.

#

Benny could see from the listening devices he planted in Nia’s apartment, the next location she was going to go to was another campaign event.

#

“Let’s get going, the event is at an elementary school” said Benny.

#

Hugo soon drove off towards the elementary school, it was located more in the inner city of Atlanta, Georgia. Hugo had to drive through the unfamiliar streets, but he was thankful he had Benny beside him.

#

“I think since they spotted you it’s my turn” said Hugo as he got out of the car.

#

“Will do” said Benny, “just do not get too close.”

#

Hugo nodded and soon headed out, he could see the campaign fliers and banners were everywhere. It was similar like his cousin Samuel’s events.

#

### **The Elementary School**

#

Inside the elementary school, Senator Amos Carver III and Ashura Clark waited for Nia to arrive.

#

“A few minutes late” said Senator Amos.

#

“Sorry, we had a rough night” said Nia.

#

“That’s not an excuse to be late to your own campaign event, you are to greet the children of the elementary school” said Senator Amos.

#

Nia nodded and soon headed into the gym, a few Blue Eagle Collective spies were on watch keeping security for the event in question. Children soon were led by the teachers to greet the candidate.

#

“Look children, she’s running for Senate” said one of the teachers.

#

Nia greeted the children, though they couldn’t vote since they were not eighteen, she was hoping to make an impression on them when they did reach that particular age. Many children were impressed by Nia’s display, even the teachers as well as they shook her hand.

#

“I must say, we were big fans of your father when he first ran” said one of the male teachers as he shook Nia’s hand.

#

“I hope I won’t do anything wrong” said Nia.

#

“We have utmost confidence in you” continued the same male teacher.

#

But as Nia continued to shake hands of her continents in the gym, Hugo managed to slip in undetected by the Blue Eagle spies, they thought Hugo was part of the event.

Chapter Five

**Infiltrating the Event**

#

Hugo gazed around, nothing was wrong with the event. It was just Nia at the gym greeting the children and teachers alike at her rally. Why was his cousin Samuel so determine to smear her?

#

“Event is right this way” said a female Blue Eagle spy.

#

Hugo soon was promptly escorted to be in the middle of the crowd of constituents, Hugo definitely felt out of place as he wasn’t carrying any signs for Nia. It was only until a male Blue Eagle spy handed him a sign.

#

“Here you go a free sign” said the male Blue Eagle spy.

#

The Blue Eagle Collective spies didn’t realize Hugo Roth was really Samuel Roth’s cousin at the event or working for Benny Dubious for that fact. As Nia continued to shake hands, she got a glimpse of Hugo. She could tell he was out of place even with holding a sign of hers.

#

“You’re not really a typical supporter are you?” asked Nia.

#

Hugo paused for a moment at the question, he didn’t want to reveal too much about himself.

#

“Uh, nope, I’m, uh a newcomer” said Hugo.

#

Hugo was doing his best not to be too nervous, Nia smiled at him and continued with the event.

#

### **Benny Waiting**

#

While Hugo Roth was infiltrating Nia’s event, Benny was waiting in his car. The Jana brothers soon began to text message Benny asking for an update.

#

“Benny, we heard of the incident you caused at the banquet last night” said Dev in a text message.

#

“Hey, I wanted to see what that event was like” said Benny as he text message Dev back.

#

“You should be more careful” remarked Ojas in a text message, “you could have been caught.”

#

Benny rolled his eyes.

#

“Hey, I did my best to get out of there before I was caught” continued Benny in the text message reply.

#

The Jana brothers had every right to be worried that Senator Amos Carver III was getting onto their operation. They had to gather enough information to forward to Samuel.

#

“Look, I have my ways in handling things and you have your ways” continued Benny in another text message to the Jana brothers, “but I do get the job done.”

#

“So are you at today’s event?” asked Dev in another text message.

#

“Yes, but Hugo told me to wait in the car” added Benny.

#

The Jana brothers knew they had to warn Samuel over Hugo’s involvement. It could be a bigger problem than Benny’s antics.

#

### **Hugo and the Senator**

#

While Benny was trying to show the Jana brothers how he could get the job done, Hugo was doing his best trying to keep his cool at the event. He got nervous when Senator Amos Carver III soon emerged to the gym to meet his daughter Nia along with her campaign manager Ashura Clark.

#

“Nothing too crazy, but I did see one newcomer at the event” said Nia.

#

“A newcomer you see, let me see this newcomer” chuckled Senator Amos.

#

The Senator soon was shown to where Hugo was holding the sign in the middle of the crowd.

The crowd made a path for the Senator to walk towards Hugo.

#

“He’s walking right up to me” thought Hugo.

#

Sweat ran down Hugo’s forehead as he could see the Senator approaching. He tried to do his best to smile back at him and the Senator couldn’t help but to smile as well.

#

“I see you must be a newcomer that Nia was speaking to me about” said Senator Amos.

#

“What’s your name?” asked Senator Amos.

#

Clearly Hugo would be caught and would ruin his cousin’s operation altogether. He had to make up some sort of alias.

#

**Enter “Moshie Scheinman”**

#

Since it was very clear that Hugo didn’t want to reveal his true name to the Senator he had to make one up fast.

#

“Moshie Scheinman” continued Hugo as he gave a happy smirk on his face.

#

The Senator glanced further at Hugo, such an odd Jewish name.

#

“Well, we’re glad to see you are supporting the right choice in this race” said Senator Amos as he shook Hugo’s hand.

#

Hugo sighed with some relief over this as the Senator soon left. Nia smiled at Hugo, she couldn’t take her eyes off of him.

#

“You are compromising yourself” whispered Ashura as she noticed Nia eying on Hugo.

#

“Well, I am sorry it’s not like everyday I see someone like him at my event” said Nia.

#

“He’s just a newcomer that’s all” said Senator Amos, “nothing too bad about that.”

#

As the event soon ended, Hugo soon headed back to his car where Benny was waiting.

#

“So how did it go?” asked Benny.

#

“I made up a name” continued Hugo.

#

Benny glanced at him with a chuckle.

#

“And who did you speak this name to?” asked Benny.

#

“The Senator” continued Hugo.

#

Benny rolled his eyes, he knew Hugo was going to screw everything up with this operation.

#

“Let’s just meet your cousin at the typical diner and we’ll discuss the matter with him” added Benny.

#

Hugo soon started the car and drove off.

#

### **Nia Losing Track**

#

While Hugo and Benny were going to have another meeting with Samuel Roth, Nia still couldn’t get Hugo’s image out of her head. She couldn’t believe she was developing a crush on a stranger at a rally she just went to.

#

“Everything okay?” asked Senator Amos as he was checking on his daughter as she was going to leave the elementary school.

#

“Yes, everything, everything is okay” said Nia.

#

“This gentleman’s name is Moshie, Moshie Scheinman” added Senator Amos.

#

Nia soon had the “name” for Hugo - Moshie! Only problem is it was a fake name he made up! She headed out of the elementary school and headed towards the parking lot. She then drove off,

she still thought of the name “Moshie Scheinman” as she continued to drive on the road.

#

“Why does his face look so familiar?” thought Nia to herself.

#

Nia could have sworn she had seen that face before, but from where? She would have to figure that out once she arrived home. Meanwhile, Samuel was oddly pleased for what his cousin Hugo did at the campaign rally at the elementary school. He chuckled and laughed so hard about it at the table where the Jana brothers were with him as well.

Chapter Six

**Laughing Samuel**

#

Samuel never laughed so hard in his entire life at the table in the diner. The Jana brothers were shocked that Samuel approved of Hugo's antics which were far worse than Benny's!

#

"I must say I didn't think you could pull it off!" chuckled Samuel.

#

Samuel was laughing all the way through the meeting, even as the waiter came to take their order.

#

"Must be something funny going on" chuckled the waiter who decided to join in on the laughs.

#

"It is!" chuckled Samuel.

#

As the waiter took the orders, Hugo couldn't feel to be so embarrassed by all of this.

#

"I can't believe I made up a name just right then and there!" cried Hugo.

#

"What, you're not use to fake names, hey my former boss was operating under a fake name" added Benny.

#

“Where is he now?” asked Hugo.

#

“In prison” continued Benny.

#

Hugo shuttered at the dishonest act that he just initiated at the rally. He was so nervous on his cousin’s political aspirations that honesty just flew right out of the window. Even the Jana brothers could see his worried face, it was so unlike him to do such a thing.

#

### **Worried Jana Brothers**

#

The Jana brothers had every right to be worried about the entire operation being exposed. They could see it would be defining Samuel’s own campaign as being rather underhanded.

#

“Your cousin Hugo doesn’t seem to be happy with all of this” said Dev.

#

“Yes, I agree with my brother” said Ojas.

#

“So you two don’t want to help me, this just writes itself” chuckled Samuel.

#

Clearly Hugo was at an impasse with this moral issues from his cousin, he had to get up and get some fresh air.

#

“I have to take a breather” said Hugo.

#

“Fine by me cousin” chuckled Samuel, “just hurry back.”

#

Hugo got up and soon headed outside, Benny decided it was best to try to offer some support.

#

“I better see if he’s okay” said Benny.

#

Benny soon headed outside, he could see Hugo was close to crying.

#

“I can’t believe I did that” said Hugo.

#

“There, there, we all make mistakes” said Benny, “it’s part of life.”

#

“But the way I said it” continued Hugo, “sounded like they felt I meant to support them even when I didn’t.”

#

“But that’s the thing about these scandals you make things up as they go along” said Benny.

#

Benny sat down and told Hugo the story of how his boss Khalid Jared Muhammad hired Zafar Mehmet who infiltrated Mayor Bertha Sole’s administration in Los angeles.

#

### **Benny Comforts Hugo**

#

Benny continued with the story of how Zafar Mehmet infiltrated the ranks of Mayor Bertha Sole's administration. Benny was familiar with all of this, which was the reason why the Red, White and Secure turned towards him for help.

#

"You see, we all make mistakes in life, but Zafar Mehmet has always stayed in contact with me ever since" said Benny.

#

"But didn't he have any moral objections to what he did to Mayor Bertha Sole's administration?" asked Hugo.

#

"Nope" replied Benny, "being against the Mayor was Khalid's idea. He stated to me one time that before becoming Mayor she benefited from Saudi stocks after the coup took place in his country."

#

"So how did she know of what to trade?" asked Hugo.

#

"The Blue Eagle Collective was helping her" continued Benny, "Khalid had so much proof but before anything could happen to her, the Der Fuchs Bodyguards and the Wolf Pack Cavern Security Inc decided to take him on!"

#

"They raided his mansion?" asked Hugo.

#

"Yep, and he sits in jail because of that" added Benny.

#

Benny was purposely not telling the entire story to Hugo as a ruse to get him to stop crying over his moral objections.

#

### **Feeling Better**

#

Hugo and Benny soon emerged back into the diner, Samuel could tell his cousin was feeling much better from that morale shock.

#

“So, you’re willing to push the envelope even further?” asked Samuel.

#

“What’s our next move?” asked Benny.

#

“Well, since Hugo has a fake name floating around I say let’s go with the next phase date her” chuckled Samuel.

#

Hugo froze, he had never been out on a date with any girl at all. But going in as a fake name was also odd for him to do.

#

“I don’t know if that’s a good idea” said Hugo.

#

“Come on, where’s your sense of adventure here?” chuckled Samuel.

#

Benny knew he would have to take the wheel of this operation away from Hugo before he would mess things up again.

#

“Fine, I will go out with her” said Hugo.

#

“That’s the spirit” chuckled Samuel.

#

The Jana brothers didn’t think that would be a wise thing to do, eventually Nia would recognize Hugo from somewhere. For Nia, she was still busy at her apartment getting ready for the evening. She still couldn’t take Hugo’s image out of her head.

## Chapter Seven

### Can't Get "Moshie" Out

#

Nia couldn't get the name "Moshie Scheinman" out of her head as she was getting ready for the evening. As she was preparing to head to bed, she soon fell into a deep sleep. There in her dream, she met "Moshie" again, she didn't seem to think "Moshie" was actually Hugo Roth in disguise at all.

#

"It's so nice to meet you" said Nia.

#

"Likewise my lady" said "Moshie" as he kissed her on the hand.

#

Nia imagined "Moshie" was a gentleman in disguise, in reality, Hugo Roth was always nervous around the opposite sex, regardless if he had a crush or not on them. As the dream continued, she imagined the "gentleman" known as "Moshie" going to a fancy restaurant and even being liked by her strict father - Senator Amos Carver III. This was a fantasy stuck in Nia's head. But the fantasy soon disappeared when she woke up for the following morning.

#

"Uh, I can't get him out of my head!" cried Nia.

#

Nia soon got ready for the day, Ashura was already text messaging her of her next scheduled event. This time it was a simple coffee shop event.

#

### **The Coffee Shop Event**

#

Since the listening devices were planted around Nia's apartment, it was easy for Hugo and Benny to figure out her next moves. They already arrived at the coffee shop, just a few paces down so that the Blue Eagle spies wouldn't spot Benny.

#

"You go on ahead inside there" said Benny, "Samuel is counting on you."

#

Hugo nodded and soon heads over towards the coffee shop, the Blue Eagle spies search Hugo to see if he was safe. It was only until one of them recognized him as "Moshie".

#

"You must be Moshie Scheinman, the new supporter Nia and the others were chatting about" said a male Blue Eagle spy, "go right on ahead."

#

Hugo entered the coffee shop, there Nia was at a desk with her campaign manager - Ashura and her father Senator Amos.

#

"Pleasure seeing you again" said Senator Amos as he shook Hugo's hand quite firmly.

#

"Uh, the pleasure is all mine" said Hugo.

#

Hugo had to keep up the act by pretending to be "Moshie" if he wanted to get further information

on Nia. He knew his cousin Samuel wanted to go to the next step by actually trying to date Nia.

#

**Getting to Know “Moshie”**

#

Hugo was clearly nervous, already he had done so many dishonest deeds around Nia. Planting the listening devices in her apartment complex among others.

#

“So Moshie, tell me more about yourself?” asked Nia.

#

Hugo swallowed in a nervous fit.

#

“Uh, well, I grew up around the Atlanta area all my life” said Hugo.

#

Clearly Hugo had some issues moving forward, even though he was getting use to the “Moshie” persona. Nia was interested in “Moshie” and not him as a real person.

#

“Interesting, now I am curious more about why are you supporting my daughter, what policies she’d bring to the table” continued Senator Amos.

#

The Senator’s words were too confusing for Hugo to get a grip, it was more complicated the way the Senator spoke, not so much like his cousin Samuel when Samuel spoke about various policies he would implement.

#

“Are you still there Moshie?” asked Senator Amos, “Am I going too fast for you?”

#

“No, no, everything is fine” chuckled Hugo, “excuse me for one second.”

#

Hugo headed towards the back of the coffee shop and began to text message Benny on what to do next.

#

### **Trying to Motivate Hugo**

#

Benny could clearly see from the text messages he was receiving there was a lack of motivation issues for Hugo.

#

“Just play it cool” continued Benny in a reply text message.

#

Hugo swallowed again as he approached the table where Nia was greeting everyone.

#

“Uh, I know we only met just a day ago” continued Hugo, “but, uh—“

#

“Yes?” asked Nia.

#

“Do you want to go out on a date with me?” asked Hugo.

#

Nia paused, her dream was coming true! She thought about “Moshie Scheinman” and couldn’t

get his name out of her head.

#

“Yes, I would love to go out on a date and my father approves of it” added Nia.

#

“Any potential future relative is always a supporter of our campaign” chuckled Senator Amos.

#

Nia soon handed over Hugo her address on a piece of paper along with her cellphone number.

#

“Great” thought Hugo in his head, “she’s going to get my ID if I call her.”

#

Hugo got what his cousin Samuel wanted - a potential scandal for Nia, even if it was the expense of his own moral obligations. He soon headed back to his car where Benny was waiting for him.

Part Three

Chapter Eight

**Nervous Hugo**

#

Benny could clearly see that Hugo was bothered by his cousin's demands in causing trouble for his opposition.

#

"Feeling alright?" asked Benny.

#

"You're telling me I am feeling alright after I lied to a woman about my name?" asked Hugo.

#

"Hey, I'm not the one who made up the name" chuckled Benny, "that's all on your own."

#

Hugo grumbled as he started the car, he would have to arrive at Samuel's place to give him the details. For the coffee shop event, it continued without much disruptions.

#

"I must say this Moshie is kind of nervous" said Senator Amos, "I just have that vibe about him. Not too much around those of the opposite sex."

#

"Just give him a chance" said Nia, "that's all you have to do, and that's what I am going to do."

#

"Just hope it doesn't get too much into your own campaign" said Ashura.

#

Ashura knew something was fishy about the entire “Moshie Scheinman” persona, she like Nia couldn’t shake that they had seen him from somewhere before but where was the question. As the event soon was over, back with Hugo and Benny, they had both arrived at Samuel’s house.

#

### **Samuel’s Place**

#

Benny and Hugo soon arrived at the door of Samuel’s house, there they were greeted by Josephine, Samuel’s wife.

#

“So you must be this Benny Dubious I have been hearing so much about by my husband” said Josephine.

#

Josephine soon invited the two into the house, Hugo had been to Samuel’s place before. Samuel was quite pleased that Hugo’s persona was making rounds on social media.

#

“Hugo my boy, so glad your little operation is a success” chuckled Samuel.

#

“I don’t know if it’s morally right to do this” said Hugo.

#

“Come on, like Benny said his boss also used a fake name to get around Los Angeles” continued Samuel.

#

“But when the truth is revealed, she won’t like me” said Hugo.

#

Hugo genuinely thought Nia was pretty, but knew this action would cost him dearly with her.

#

“Ah come on, what’s a little sacrifice that I will have to put you through to get me the top job” chuckled Samuel.

#

“You shouldn’t be encouraging him to do this” said Josephine.

#

Josephine had a knack of searching social media, she was aware of Benny and Hugo’s antics and didn’t like what her husband was doing.

#

### **Josephine’s Morals**

#

Josephine was more like what Hugo tried to be, but she was more firm in her beliefs. She didn’t like all of these campaigns and politics and felt everything was so dishonest.

#

“You shouldn’t be getting yourself involved in all of this” said Josephine to everyone present.

#

“Hey, first of all, I am no stranger to this” said Benny.

#

“Yea, I hired an expert that’d help us” added Samuel.

#

Hugo was nervous, he couldn't believe what was going to happen next to him.

#

"I asked her out on a date using that persona" added Hugo.

#

"Yes, I saw the footage of it" added Josephine.

#

Josephine then took out her cellphone and showed Hugo the footage, Hugo couldn't believe everyone was getting "Moshie" to be quite trendy on social media.

#

"This, this is going to get out of control" said Hugo.

#

"Well, it already has since she said yes on going out with you" added Josephine.

#

Hugo grumbled, he couldn't believe what sort of craziness his cousin got himself into.

#

"We'll dress you up for the date" chuckled Samuel.

#

Samuel then gave Benny a few hundred dollars.

#

"Spend as much money as possible on getting my cousin dressed up for his big date" chuckled Samuel.

#

"Can do" chuckled Benny.

#

Benny and Hugo soon headed out to go on a shopping spree.

#

**“Moshie” Image Montage**

#

Hugo drove towards the mall with Benny, Benny was determine to get Hugo to be dressed up as “Moshie Scheinman”. As they headed towards the clothing store, Benny soon gazed upon the sort of clothes that was laid out for the men’s area.

#

“Let’s see if we can’t change your image” said Benny.

#

Benny looked at the rows of pants, shirts and even hoodies for Hugo to wear. He got a few hoodies here and there along with a few pairs of pants and shirts. Hugo Roth ended up being changed to look more like a cross between what Benny Dubious was like, and somewhat of a Jewish rapper.

#

“Now let’s give you a better persona on this Moshie character” said Benny, “I want you to pretend that you are a Jewish rapper.”

#

“I don’t like that genre” said Hugo.

#

Benny rolled his eyes.

#

“Look, you have to fake it to make it” continued Benny, “my boss did.”

#

“Yea, but he isn’t experiencing freedom like you” said Hugo.

#

“I’m going to ignore that” said Benny.

#

Hugo’s attire for the date would be a mixture of Benny’s usual attire but under a more casual content. The hours ticked by and soon the date was going to happen between Nia and “Moshie”.

Chapter Nine

**Picking Up Nia**

#

Benny managed to get a scooter so that he could follow Hugo wherever he went on the date.

Hugo felt so out of place in his new attire, it didn't seem to make sense.

#

“Uh, this makes me feel so weird!” cried Hugo.

#

“Just go with it” said Benny as he rolled up with his scooter to the car, “just go up and take these flowers I got for you to bring to her.”

#

Hugo took the flowers from Benny and he soon headed up towards Nia's apartment. As he rang the doorbell on Nia's apartment, Nia soon answered it. Hugo froze, he couldn't believe how beautiful that Nia looked in her new purple dress.

#

“Ready for my date” chuckled Nia.

#

Hugo couldn't believe he was doing this for Samuel, to ruin his opponent's chances at the race for the Senate.

#

“Just get this over with” said Hugo in his head.

#

“So where are we going?” asked Nia.

#

“Uh, an Italian restaurant” continued Hugo.

#

Hugo soon showed Nia to the car and soon took off. Benny followed behind on the scooter, he stayed further away so it wouldn't seem like he was following them.

#

### **Nervous as “Moshie”**

#

Hugo couldn't believe he was pulling his off using his “Moshie” persona to Nia. He could tell that Nia really liked him.

#

“Say, I am curious haven't I seen your image from somewhere?” asked Nia.

#

Hugo paused for a moment as he continued to drive.

#

“Uh, no, I am just a newcomer that's all” said Hugo.

#

Hugo continued to be on the road, he soon drove towards the Italian restaurant. Lucky he was given money by Samuel for the date to happen without any further incidents with Hugo's own finances.

#

“Ah, Moshie, this way” said the host.

#

The host soon showed the couple in, Benny soon arrived at the Italian restaurant. But as Benny parked his scooter he noticed a few other cars marked with Blue Eagle Collective symbols were also at the restaurant as well.

#

“This can’t be a good sign” said Benny.

#

Benny soon decided to sneak up towards one of the windows of the restaurant just to get a glimpse. There he could see a few Blue Eagle spies were in the restaurant already trying to make everything secure for Nia.

#

“They’ll surely spot me if I try something” said Benny.

#

Benny knew he would have to keep tabs on Hugo’s date.

#

### **Nia’s Fantasy**

#

Nia certainly was quite in love with Hugo’s “Moshie” persona, she couldn’t take her eyes off of him as they sat across from each other.

#

“You are so handsome” said Nia.

#

Nia had that glimmer in her eyes as she glanced at “Moshie”, Hugo could tell his own fantasy

was coming true but at the price of his own morals.

#

“Uh, so what are your interests?” asked Hugo.

#

Nia soon responded with her variety of interests, ranging from exercising as a hobby to playing various instruments such as the violin and piano. Hugo froze when he couldn’t think of anything.

#

“I, uh—“ said Hugo as he continued to try to think of an interest.

#

“Think rap music, you’re a Jewish rapper” said Benny’s voice in Hugo’s head.

#

“Uh, am a Jewish rapper” said Hugo.

#

“Oh, how strange do you write your own music?” asked Nia.

#

Nia kept on pressing for possible examples, but Hugo knew it was all but a lie. He couldn’t believe the pressure from his cousin - Samuel was getting to him again.

#

“I would try it, but I am too nervous since we’re in a restaurant” continued Hugo.

#

**Faking It to Make It**

#

Much like Benny's words of wisdom to Hugo, "faking it to making it" resonated with Hugo at that very moment. He had to pretend he was involved with all of these concerts, even though he wasn't.

#

"So you are a solo rapper who happened to be on tour abroad?" asked Nia.

#

"Uh, yes" replied Hugo.

#

"How many countries and cities have you traveled to?" asked Nia.

#

Hugo had to make up a number, fast.

#

"Uh, about twenty?" replied Hugo.

#

"Just name a few countries and their cities" added Nia.

#

"Uh, Paris, France; London, England, Hong Kong" continued Hugo.

#

Clearly Hugo wasn't thinking at all, he was just bringing up a city or a known place whenever he could. But despite all of the nervous behavior, Nia continued to listen in to every word he had to say. As the date progressed, their meals soon arrived.

#

"Wow, lasagna that looks so good" said Nia.

#

“Yea, I always wanted to try it here” said Hugo.

#

As the two ate their meals, Benny was still outside the restaurant still trying not to be spotted.

He could see that the date was wrapping up which Benny sighed with a relief.

## Chapter Ten

### **Reporting to Samuel**

#

It seemed like the date went off without a hitch between Nia and “Moshie”, Hugo couldn’t believe Nia bought into everything he said even if it was made up. Benny was reporting on all of this to Samuel on the other end through a cellphone text message.

#

“Looks like the date is finishing up” said Benny in a text message to Samuel and the Jana brothers.

#

“I must say this is rather unorthodox, at first we thought Hugo would ruin everything” added Dev.

#

“Yes, I thought that too” remarked Ojas in a text message.

#

“Well, we’ll see what’d happen that this would be a distraction for her campaign” chuckled Samuel.

#

Back with Hugo and Nia, Hugo soon took Nia by her shoulder and paid for the meal. He then escorted her to his car and they drove off. Benny followed behind on a scooter, not even the Blue Eagle spies were aware of his presence at the restaurant. Hugo still felt he had betrayed Nia by pretending to be someone that he wasn’t. He felt he had a moral obligation to tell her, but

knew it wasn't the right moment.

#

### **Dropping Nia Off**

#

Nia was too excited and focused on “Moshie”, she was so happy she got to go out on a date with him.

#

“I am so happy that you took me out” said Nia.

#

“It was nothing” said Hugo as he continued to drive.

#

It took Hugo a few minutes to get back to her apartment.

#

“Here you are, home sweet home” said Hugo.

#

“Thanks again, hope to see you more at my events” said Nia.

#

“Uh, I will be there” said Hugo.

#

Hugo felt relieved that the date was over, he soon sped over to another street where he met up with Benny.

#

“So I take from the look on her face she didn't suspect a thing” chuckled Benny as he parked his

scooter.

#

“Nope” replied Hugo, “just like my cousin stated she didn’t suspect one thing about the real me.”

#

Hugo desperately wanted Nia to know the real him, not this “Moshie Scheinman” persona he made up. Benny knew that Hugo did a bang up job in fooling Nia, she was already posting everything about her experience on social media. The date went viral, and over night “Moshie Scheinman” was trendy!

#

### **“Moshie Scheinman’s” Popularity**

#

Just like that, with the post from Ms. Nia Hope Carver on her social media platforms, social media went on a blitz in making “Moshie Scheinman” a trendy topic. Hugo arrived back at his apartment which was just a few blocks away from Nia’s. He couldn’t believe the popularity his persona was bringing towards Atlanta, Georgia.

#

“Did you hear that Nia Carver was on a date with a Jewish rapper?” said one female user.

#

“Yea, I know, who could imagine there was such a thing as Jewish rappers, I guess they do exist” remarked another female user.

#

Hugo couldn’t take his eyes off of the social media posts about his persona being so popular. He would have to dawn his attire that Benny gave him to create a fake account just to respond to all

of this fan fair. As he did, his heart went racing, he knew it was dishonest of him to make up the name in the first place but he just knew he couldn't quit now.

#

"This has gone so far" sighed Hugo to himself.

#

Hugo took a few pictures of himself in his apartment, he hid all of the pictures of his cousin Samuel just to arouse any suspicion on who he was.

#

### **"Moshie" the Celebrity!**

#

Within an instant, "Moshie Scheinman" became a known celebrity, Hugo couldn't believe Benny's own words of "wisdom" - "fake it until you make it" worked out like a charm. Hugo soon called up Benny who was staying in a hotel room at the time.

#

"What's happening Hugo?" asked Benny.

#

"You wouldn't believe it, but I, or should I say Moshie is now a celebrity!" chuckled Hugo.

#

"Ha, I told you faking it until you make it would work out!" chuckled Benny.

#

Benny was thrilled with this joy, he had to call up Samuel over the good news. Samuel was already receiving this amount of attention over "Moshie", he couldn't believe his plan worked like a charm.

#

“Ha, I told you this plan worked like a charm” chuckled Samuel, “Nia will be distracted so much by this that she wouldn’t concentrate on her campaign! It’s genius!”

#

“It can’t fail, does that mean I get paid now?” asked Benny.

#

“Actually, she’d have to lose first and then you get paid” continued Samuel, “I wanted to see those results happen first.”

#

Benny sighed, he knew he would have to stay a little bit longer in Atlanta, Georgia.

Epilogue

**Nia So Happy!**

#

The following morning Nia was so happy that she finally found the perfect boyfriend for herself! Her father wanted to call her up to congratulate her.

#

“I must say, you do sound very happy” said Senator Amos.

#

“Yes father, and you approve of him being my supporter” added Nia.

#

“Yep” replied Senator Amos, “so long as he votes for you and supports your campaign I am down with that.”

#

The Senator couldn't believe there was so much fan fare going on with this “Moshie Scheinman”. He couldn't believe how happy his daughter was as she finally found someone she could relate to. But as the Senator ended the phone call, he soon received a call from the mysterious Agent GA. Agent GA had another suspicion who this “Moshie Scheinman” character was.

#

“Agent GA, what can I do for you?” asked Senator Amos.

#

“Listen, Senator, I know your daughter is happy she found a love of her life but let me tell you

something what if all of that is a lie?” asked Agent GA.

#

“What do you mean?” asked Senator Amos, “His name is Moshie Scheinman, he was at the elementary school event.”

#

“I know, but think of it, don’t you think it’s strange that this Jewish rapper becomes famous overnight after going out with her?” continued Agent GA.

#

The Senator soon paused for a moment.

#

### **Compromised Daughter?**

#

Agent GA didn’t want to shock the Senator too much about his daughter, he was working round the clock with other Blue Eagle spies to try to determine who this “Moshie Scheinman” really was.

#

“I would keep a watchful eye on your daughter Senator, she in a race to replace you and you wouldn’t want this Samuel Roth to get the better of you?” asked Agent GA.

#

The Senator shook himself a little, he couldn’t imagine his daughter feeling so compromised like this or he himself letting his own guard down.

#

“You are saying this was a setup?” asked Senator Amos.

#

“Likely by Samuel Roth and former President Harold Truax as a way to ruin your daughter’s image” continued Agent GA, “but let’s just keep things under wraps for the time being until I find more information on who this Moshie really is.”

#

The phone call soon ends, and a shiver went down the Senator’s spine. He couldn’t believe it, his own daughter compromised! And that also made him feel compromised as well! He couldn’t stand for this, but he wanted to not ruin Agent GA’s investigation on who this “Moshie Scheinman” really was.

#

### **On Tour with Nia**

#

But while the Senator was worrying about his daughter, “Moshie Scheinman” or should we say Hugo Roth was getting ready to put on a show. He was dressed up in the same attire that Benny Dubious had managed to pull from the clothing store the other day.

#

“I look fantastic” chuckled Hugo to himself.

#

Hugo gazed at his own handsome image, he couldn’t believe Nia had fallen for him in this persona. He soon headed straight out the door and towards his car where he soon drove off to Nia’s apartment to pick her up. He was going to take her to her next campaign event much to the disagreement of Ashura Clark’s advice.

#

“Time to put on a show” said Hugo as he smiled in the mirror.

#

But as Hugo drove off, Agent GA who was in an unmarked police car drove along just to make sure this “Moshie” was really Moshie. Would Agent GA figure out it’s Hugo Roth the entire time? Would Samuel Roth’s campaign be ruined because of it? Find out in the next exciting book!
